

NSWISA Club Member Policy

Only one NSWISA member club is permitted per ice rink within NSW. This one club per rink must represent all disciplines including singles, dance, pairs, synchronized skating and Theatre on Ice.

To be clear, many 'teams' are permitted per ice rink but only one NSWISA member club

For example, NSWISA will allow membership and hence the ability to compete at NSWISA events, to one Club such as SFSC who are based at COIR, or MISC based at Macquarie.
