## Music Player

- Checking order of skaters and music. This requires some basic computer skills and may include dragging music to a box on the top of the screen to play.
- Playing music when the skater is at starting position, adjusting music louder/softer as required.

## Video Camera Operator

- Video the skater as they compete. It is very important to get the whole body, especially the feet in frame. Zoom in and out as the skater moves up and down the rink.

## Catering

- Prepare or follow menu plan.
- Prepare food for judges, officials and volunteers. This may include preparing for those with special dietary requirements. Some dietary requirements require strict adherence so as to not cross-contaminate with utensils, chopping boards etc (eg. Coeliac Disease, nut allergy etc.).

## Catering Assistants

- Provide menus for officials.
- Take food and beverage orders.
- Liaise with caterers.
- Check for dietary requirements and how food is to be prepared (eg. coeliac, dairy intolerance, nut allergy etc.).
- Deliver food to officials as required but do not speak to officials at any time other than during warm ups and ice resurfaces and only after all marks have been entered.

## Flower Retrievers

- Ice skater (any age, any skating discipline) required to collect flowers and “tossies” in a basket after each skater has competed.
- May be requested to clear other items from the ice by the Referee.

## Flower Retriever Adult Chaperone

- Required if Flower Retrievers are children under 10.
- Off ice position.
- Deliver flowers and “tossies” to skater and oversee Flower Retrievers.
- Ensure Flower Retrievers keep warm between ice sweeps.
