

## 2023 SYDNEY SYNCHRONIZED FESTIVAL

### IMPORTANT INFORMATION

To assist with the smooth running of the 2023 Sydney Synchronized Festival, we ask for your assistance with sharing the following information with your Team and supporters:

- ☆ Teams are asked to adhere to the Warm Up Area and Dressing Room Schedules out of respect for all Teams.
- ☆ Erina Ice Arena will be open 30 minutes prior to the first on-ice activity of each time block. Access to the venue will be available from:
  - ☆ 6:00am to 10:30am on Saturday 16<sup>th</sup> September
  - ☆ 3:00pm to 6:45pm on Saturday 16<sup>th</sup> September
  - ☆ 5:30am to 11:00am on Sunday 17<sup>th</sup> September

Please allow those with official SSF Accreditation (Skaters/Coaches/Team Managers/Officials) to enter first if there is a line to enter the building and please be respectful of our volunteers. All SSF spectators & participants must vacate the venue by the specified times to ensure the public sessions can run as planned. We greatly appreciate your help in achieving compliance to the venue access times.

- ☆ All spectators and skaters who are not scheduled to be in a specific area are asked to remain in the grandstand when not visiting the canteen or using the facilities, so the downstairs area is clear for Teams to easily make their way between their dressing rooms and the ice surface.
- ☆ It is requested all gifts be handed to the skaters or placed in the Team Bags, not thrown on the ice during the competition.
- ☆ Upon the conclusion of presentations, all spectators are asked to leave the building immediately to allow the venue staff to prepare the venue for the public sessions. Skaters will meet their supporters outside as soon as they are ready.
- ☆ Upon the conclusion of presentations, skaters are asked to return to their allocated dressing rooms, remove their skates and leave the venue as soon as possible.
- ☆ No food or drink (apart from hydration for skaters) is to be brought into the venue.

We ask for your assistance with explaining these details to your Team and supporters to ensure the smooth running of the event.
