

## SYS BANQUET INFORMATION

This year's SYS Banquet will be held at Mingara in their Event Centre. The address is 12-14 Mingara Drive, Tumbi Umbi, 2261. The event will commence at 7:00pm sharp on Sunday 3<sup>rd</sup> December.

Please note this is a licenced Club and all attendees aged 18 & over will need to be signed into the venue. Please bring photo ID and ensure you allow adequate time to sign in when you arrive. All attendees aged 18 years and over will also be given a wrist band when signing in which will allow alcoholic beverages to be purchased from the bar. Please note that RSA will apply.

All attendees under the age of 18 years will need to be escorted to the Event Centre as per Club Policy so please ensure if you have minors in your team that you coordinate your arrival time with your Team Chaperone.

All those with AFSC Accreditation showing the symbol for the SYS banquet are requested to present this at the registration desk at the Event Centre to expedite entry to the banquet.

All teams will be allocated to tables at this event and a seating plan will be published prior to the commencement of the Championships.

A buffet dinner, dessert and soft drink/juice package will be provided. Special dietary requirements should all have been submitted with the competition entries. Depending on the requirements, the food available on the buffet may already be suitable and meet the needs of some specifications, whereas other meals may be provided specifically for those with more complex requirements. There will be a list available at the event so we know who has submitted their requests and on which tables they are seated so they can be found by the event staff if special meals need to be provided.

For any parents who are playing chauffeur for the evening and would like to dine at Mingara, it is recommended that you make a booking. The link to book at Hadley's is <https://www.mingara.com.au/eat-drink/hadleys/>.

Remember, the theme of the night is **DISCO** so get in the swing of things and come dressed to suit and ready to party the night away!

NSWISA would like to thank Mingara for their support of this event.
