

TEAM BAG INFORMATION

The Organising Committee of the 2023 Australian Figure Skating Championships will be providing Team Bags for all teams participating in this year's competition. The bags will be located in the Accreditation Room at Erina Ice Arena.

We encourage all Teams to bring something to share with the other Teams participating in the competition. Obviously, this doesn't need to be the traditional gifts Teams would take to competitions overseas, so we encourage positive messages, good luck cards &/or other mementos to celebrate participation in the event.

We are excited to welcome everyone to this year's Australian Championships and wish you an enjoyable and successful conclusion of the domestic season. We look forward to seeing the fruits of all of your hard work!

For any enquiries, please contact NSWISA Admin at admin@nswisa.com.

Good Luck!
